

APRIL VACATION CARE PROGRAM

Hours
8:00am
to
5:30pm

WEEK 1 APRIL 2025

Monday 14

Tuesday 15

Wednesday 16

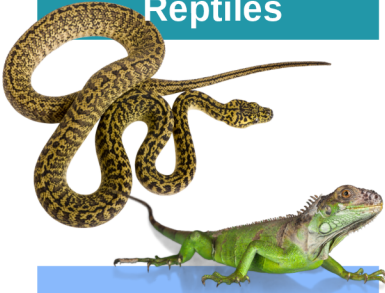

Thursday 17

Raptor Reptiles

Junior Builders

Laser Tag Nerf Blasters

Easter Wheels Day

If you love all things scaly and slimy, you won't want to miss today's fun! Get up close and personal with some of the finest critters such as dragons, skinks, geckos, goannas, pythons, turtles and frogs. Plenty of hands on participation!

Become a supervisor for small construction projects. Working on a construction themed mat, you will be in charge of 7 remote controlled vehicles including trucks, cranes, forklifts, diggers and more! Learn how to navigate through roads and hazards on a busy construction site.

Two great activities in one day! Hours of fun with Laser Tag, using infrared light guns, hide behind inflatable walls as you tag your opponents and score as many points as possible. Switch to Nerf Blasters and continue the fun with fast-paced battles that test teamwork with exciting challenges.

Easter is here! Enjoy a day of Easter craft; 3D bunnies, salt painted easter eggs, egg hunt. Bring your bike/scooter for a day of riding fun.

Mini worlds
Handball challenge

Monster blow ups
Around the world

Flying space ships
Cricket

Easter eggs and bunnies

PUBLIC HOLIDAY

WEEK 2 APRIL 2025

WEEK 3 APRIL 2025

Tuesday 22

Wednesday 23

Thursday 24

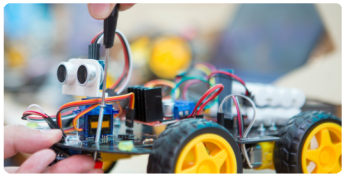

Monday 28

Super Robotix

Glow Soccer Pizza

Spartan Attack

Junior Architects

Get ready for an action-packed adventure with the Super Robotix workshop. Develop an understanding of action, reaction and directional language, learn about robotics, play exhilarating games with remote controlled robots, compete, and win various challenges!

Soccer and Pizza? What a great combination! Sharpen your soccer skills and join in at the BASC soccer tournament with a twist of glow. Showcase your dribbling, tackling, defending and throw-ins. To top off the day, enjoy some delicious pizza for lunch.

A combination of dodgeball and paintball mixed with archery for an awesome, safe and fun combat sport! Teams are split into two sides and on the referees whistle must attempt to shoot their opposition before they get shot. With giant ancient inflatables, this allows you to strategically move your way around the field.

Learn and explore 3D versions created using magnetic blocks, providing you with a deeper understanding of space and volume. Develop team-building skills and build large scale structures together. Join all your creations together to create one large final project.

Superhero shields
Pac man

Hama beads
Fruit salad

Lego builds
44 Homes

Slime
Relays
